Mr. William Casey
Director
Central Intelligence Agency
McLean, Virginia

Dear Mr. Casey:

I would like to personally invite you to attend Georgetown's Law Day commemoration on Saturday morning, April 7. Our program includes a special panel presentation on the occasion of the fiftieth anniversary of the Securities & Exchange Commission. As a former Chairman, I would expect this part of the program to be of special interest to you.

Georgetown would be honored if you could find the time to attend this program. If possible, I would appreciate it if you would contact Dean Everett Bellamy by Friday, April 6, to inform him of your plans.

Sincerely,
